7 Day Uganda Birding Itinerary

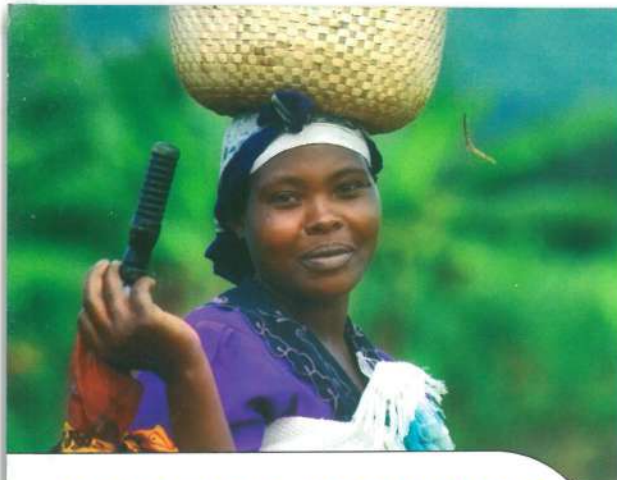

Seven day, 6 destinations, with 3 locations that are definitely top birding areas in Uganda: Mabamba swamp, Queen Elizabeth National Park (QENP) and Lake Mburo National Park. QENP provide amazing diversity of bird habitats and represent some of the Rift-valley endemics.

The itinerary starts with birding in areas around L. Victoria. Two nights are spent in Entebbe. Third day, we visit Mabamba swamp for shoebill stork on our way to Lake Mburo National Park where we spend 1 night 1 day. Here our check list include the Red-faced Barbet, Rufous-bellied Heron, African Finfoot Lesser Jacana, Lesser Moorhen and a variety of water birds. We spend a night in Mbarara town before proceeding to QENP on the 5th day. We get 2 night 2 days here exploring diversity of bird habitats where we expect to see the Temminck's Courser, Martial Eagle, Rupell's Griffon Vulture. We conclude in QENP, and we travel back to Entebbe on the 7th day for your flight back home.

Please check out for details of these destinations and the expected wildlife on our website. www.accessugandatours.com

Note: This sample itineraries can be tailor-made.
