City Tours

We combine city tours with cultural site visitation. So apart from driving you around places and streets in Kampala city, we take you along the Kabaka trail and other traditional areas in Buganda. We visit Mabira forest on our way to Jinja town for the source of the Nile.

We recommend spending a night in Jinja town for yet another interesting activities like white water rafting.

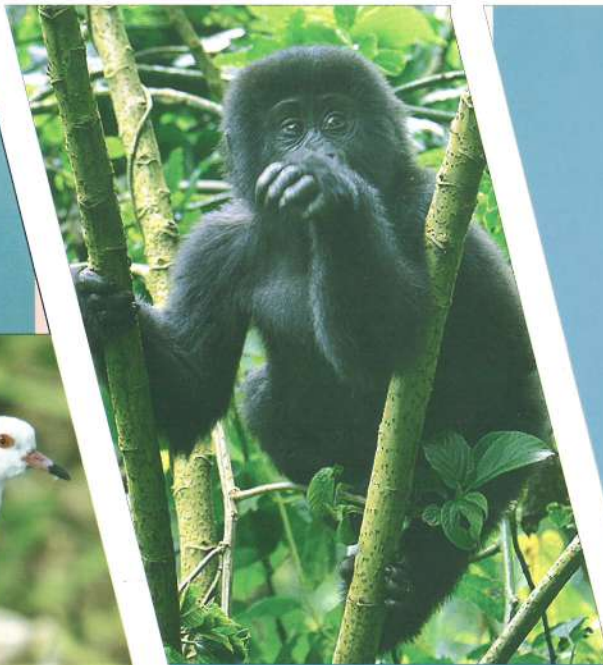

Check out our website for a sample itinerary.

17 Day Uganda Birding Itinerary

Great birding tour that you can combine with other activities like gorillas and chimpanzee tracking. It starts in Mabamba swamp to Lake Mburo, Bwindi, Queen Elizabeth, Kibale, Budongo forest reserve and concludes in Murchison Falls National Park. In total 10 birding sites. The beauty of this, we spend most of our birding in game parks offering us opportunities to see elephants, buffaloes, big cats and a variety of antelopes.

Along this tour expect to see the Shoebill stork, the Carmine bee Eaters, Abyssinian ground Hornbills, Red-headed Weaver, Yellow billed Shrike, Vaneceous Dove, Great Blue Eared Starling, Rock Prantincoles, Bat Hawk, Spotted Greenbul, Blue-throated Roller, Chestnut capped Flycatcher, Ituri Batis. Again this can be modified according to your wishlist.
