The finest brand "JW Marriott" has landed as the first time in Nara, Japan in July 2020. Have a memorable MINDFUL stay with us at the classical luxury hotel.

The banquet hall has a magnificent Mt. Yoshino motif, and is an open space where natural light enters through large windows. We offer a special course that can only be served at JW Nara. Enjoy dishes using sake lees as Nara is the origin of sake, Amago smoked with Yoshino cedar, Yamato vegetables and Yamato beef. In addition to rooms with a high-class aroma, Tsukigase tea, and JW's original pillow mist, all 158 rooms, including 16 suites, can be reserved for private use.
