

# Herald Suites in Makati: A Distinctive Hotel That Embodies a Personalized Experience

---

Herald Suites intricately takes the shape of a classic, vintage hotel undisturbed by the modern noise, where guests can tuck themselves in its midst while still enjoying the pleasures offered by the world outside.

Located along **Chino Roces Avenue in Makati**, this hotel serves as a distinctive hotel in the heart of the metro offering excellent accommodation and service, while still taking value for money.

Herald Suites Chino Roces has a dedicated Japan Desk to assist Japanese guests who frequent this particular property. People to people connections, not price, are what differentiate a customer's experience and Herald Suites management is always at work to make sure all of its employees deliver that distinct Herald Suites experience from start to finish.

Its rooms, despite being different from each other, stand on the middle ground of things by means of being equipped with a minibar where coffee or tea-making sessions are made possible, a bathtub for utmost relaxation especially at night, and access to the internet for ease of working.

One of which is the **Standard Twin** a classic room suited for guests seeking a space where they can be productive yet still indulge in its leisurely ambiance. This room can occupy up to two adults and two children.

Another room good for sharing is the **Junior Suite**. This suite is more than just a deluxe room as it features a more spacious floor area complete with a mini anteroom leading to the bedroom floor area.

While each guest is receptive to a complimentary breakfast, the hotel houses three restaurants where they can take delight in their personal preferences: Casual relaxed atmosphere or ambience **Coca Cafe**, cozy nook **Meridian Lounge**, and Japanese restaurant **Hatsu Hana-Tei**.
