

Dear Esteemed Partner/Traveler,

You may not know Turkmenistan as a travel destination. Yet you should consider this new and yet unexplored country with its vast potential in terms of tourism & beyond.

You should have a look and notice unique variety of nature, history and culture which Turkmenistan offers, compare ancient and modern architecture. The flora and fauna are exotic and diverse. Landscapes are either mountainous in the South, or moon-like in the Garagum Desert, but never dull. The archeological sites of ancient Margush, Nissa, Merv and others are witnesses of great civilizations that once existed.

In modern Ashgabat you will find intriguing samples of contemporary oriental architecture, and you will be impressed by the traditional hospitality of the Turkmen people.

In addition, you will see that Turkmenistan managed to rapidly develop its infrastructure. International carriers fly to Ashgabat's state-of-the-art airport. You will find your stay in one of the many new luxury hotels extremely comfortable and you will enjoy the food in the large number of the local and international restaurants.

We are ready to undertake your enjoyable comfortable stay & unforgettable pleasant journeys in Turkmenistan !

For your information:

"Umman Syyahat" private travel company specializing in inbound tourism (DMC) as a main part of its activity, offer & organize a wide range of tours for foreign travelers along Turkmenistan & Central Asia region. We are a member of the Silk Road Central Asia Travel Group which was established with top class tour operators from a variety of companies on the Silk Road to offer not only single country tours but also combination countries tours along all Central Asian countries & Iran as well.
