The cover of the "Okinawa Watching Sports Guidebook" features a collage of sports scenes: a basketball game with a large crowd, a cheerleader, and a soccer player. The title "見逃せない瞬間を、この島で" (Don't miss the moments, on this island) is written diagonally across the center. Logos for Sports Islands OKINAWA, Okinawa Prefecture, and OCVB are present, along with contact information and the publication date (February 2022).
