About Company

Our Mission

At Tour Planners we feel the level of personalized service in our industry, as in others, has given way to focusing on profits. Our approach focuses on the needs of the clients, keeping their best interests in mind. We are confident you will be convinced in our service is exceptional. If people do not have passion for what they do, they should be in another business. We have that passion and take pride in what we do. Tour Planners knows the only way we can earn and keep your business is to provide services second to none in the industry.

Our Vision

“Building Memories Through Travel” - Travel is not about airplanes, car rentals, hotels etc. Travel is all about the memories you bring back with you. Experiencing new destinations, visiting family, meeting new people and getting back together with existing friends is what travel is all about.

Our Values

Tour Planners was formed to provide a level of service far exceeding what is available today. Its vision, mission, goals and objectives are derived from the beliefs and values of its founders. We love what we do and challenge ourselves every day, searching for the best travel value available for you and your family.

Objects of the Company

As a full Destination Management Company, Tour Planners Ltd offers all services for a professional and perfect handling of all kinds of groups and projects in Bangladesh. We actively participate in the daily life of the communities where we operate. For instance, The Company contributes funds for the development of life style of rural tribes visited by our ethnic tours.

We aim to present the people, history, cultural, heritage, and beauty of Bangladesh to the world through unique and customized services of International Standards. We will continue to strengthen our position in the tourism market as one of the Bangladesh's Leading providers of such services as well as to promote the superiority of our products, prices and our team of local and international travel experts.

We have the delicate balance of individuals that any company would strive to have. There are more than 100 dynamics, efficient go-getters from Dhaka, India and Malaysia who cater to all travel needs of our clients, as well as respected professionals in the travel industry who have decades of experience. With this winning combination of staff and services, we have carved a unique niche among our competitors. With our convenient location and ample parking facilities, you may step in to Tour Planners any time of the day, delivers a truly unique experience to our customers.
