**Uzbekistan**: with its ancient history, rich culture, wonderful natural environment, grandiose monuments and hospitable people attract travelers from all over the world. Having perfect location, Uzbekistan was a crossroad of many ancient roads. It was the center of the Great Silk Road which connected East and West.

Architectural monuments of Uzbekistan are the pride of Uzbek people and represent the creative genius of many generations of craftsmen. Unique masterpieces of architecture of Samarkand, Bukhara, Khiva and Shakhrisabz cities kept its' beauty and were included into UNESCO World Heritage Sites.

Uzbekistan tourism infrastructure grows very fast. We offer high quality services in all tourism spheres according to the modern requirement and standards. 11 international airports in the country receive flights from more than 40 cities of the world. The convenience of flights, express trains and automobile roads makes the visit to Uzbekistan easy and comfortable.

It is a country of high mountains, beautiful valleys and sandy desserts. You can find here all kinds of active and adventure tours.

Uzbekistan established visa-free regime for citizens of 90 countries, among them is Japan, and simplified procedure for passport holders of 57 countries. People from 36 countries will also be able to transit visa-free entry through Uzbekistan for up to five days.

Tashkent, the capital of the country is the most modern city of Central Asia and the center of business. Not only the travelers but also businessmen and investors visit Uzbekistan with MICE tours and business trips.

Uzbekistan is the best place to travel. We invite the lovers of history, adventure, shopping and tasty food to Uzbekistan! Welcome to Uzbekistan!

**Turkmenistan:** one the not explored by tourist countries of the world located in Central Asia. You may not know Turkmenistan as a travel destination. Yet you should consider this new and yet unexplored country with its vast potential in terms of tourism.

You should have a look and notice unique variety of nature, history and culture which Turkmenistan offers, compare ancient and modern architecture. The flora and fauna are exotic and diverse. Landscapes are either mountainous in the South, or moon-like in the Garagum Desert, but never dull.

The archeological sites of ancient civilizations as Country of Margush, Merv and many others are witnesses of great civilizations that once existed. Besides, unique sites like famous gas craters of Derweze which got comparison to as “Door to the Hell”, Plateau of Footprints of Dinosaurs located at Koytendag Mountains, Colorful Canyons of Yangyala of Balkan Mountains, Ancient Uzboy River course & many more will leave on you unforgettable pleasant memories about the Unique Wonders of Turkmenistan.

In modern Ashgabat which was included into the Book of Guinness as the biggest in the world White Marble City, you will find intriguing samples of contemporary oriental architecture, and you will be impressed by the traditional hospitality of the Turkmen people.

Ashgabat also was chosen as the host city to held different international sport competitions, such as 5th Asian Indoor and Martial Arts Games in 2017, International Endurance Rally “Amul-Khazar” (*Turkmen Desert Race*) & International Weightlifting World Championship in 2018 & etc. Besides it has been scheduled many international sport events at the Olympic Sport Complex in Ashgabat in comping years.

In addition, you will see that Turkmenistan managed to rapidly develop its infrastructure. International carriers fly to Ashgabat’s state-of-the-art airport. You will find your stay in one of the many new luxury hotels extremely comfortable and you will enjoy the food in the large number of the local and international restaurants.

We have good long time built cooperative agreements with several international flight carriers such as Turkmenistan Airlines, Flydubai, Turkish Airlines & etc & so proudly offer the full travel packages including international flights as well.
