

White Fairy's Cooking Class

In a familiar atmosphere and in a private house learn how to prepare typical Apulian dishes with local and seasonal ingredients. Enjoy yourself with a hands on cooking class. After your hard work you will enjoy the sumptuous Italian meal you have create, with local wine.

Salento Train

There is a train along the Salento peninsula which stops where you can find culture and tradition. The train tells you interesting stories at the stations and during the travel, too.. We'll wait on board.

Treasure Hunt

Turn a city into an experience. We text you a trail of clues. This treasure hunt can be run in any locations. It can last from a few hours to several days We are happy to tailor any treasure hunt to the profile of the group.

Apulia
Slow&motions

Slow&motion is our concept: discovering history, monuments and culture thanks to tailor-made tours enjoying exciting experiences. Our passion is storytelling. We love telling FIT or groups about places, festivals rich of cultural identity.

Papier-maché workshop

Join a papier mache workshop in a typical atelier after a walking tour exploring Lecce with an expert guide. Skillfull hands will show you this old handcraft

Wheat, Bread or Pasta?

The tradition of bread or pasta making in Puglia is very very old. At first the women made bread or pasta at home with the best wheat. Then the machines were used and big factories were born. This experience will take you in the history of an ancient pasta making factory, rich of tradition, or in a traditional mill, looking at the transformation system, or you'll visit a wood oven and can prepare traditional bread

Please ask for rates (FIT or groups) and more details

Info

Esclusiva.....
