

Africa Runners Company

Established in 2001, Africa Runners Company (ARC) provides quality services in the tours and transportation industry in Uganda and the East Africa region. We specialize in offering premium, special, and authentic tailor-made tours and transportation packages that go beyond the ordinary at very competitive rates. For over 20 years, we have successfully organized tours and safaris to fascinating tourism sites in several East African destinations, most of which are nature-oriented and primarily highlight mountain gorillas, chimpanzees, the big 5 game animals, mountain climbing adventures, along with cultural excursions. With its extensive network of suppliers, ARC can book accommodation facilities ranging from luxury to budget. We give utmost respect to our guests, partners, and their countries of origin, consciously bearing in mind individual cultural sensitivity.

Why do business with us?

- Commitment to exceptional quality, customer satisfaction, and innovation.
- Unparalleled product reliability and cutting-edge solutions tailored to your needs and budget.
- Our fleet of vehicles and fully trained guides; ARC can guarantee timely pickups and quality transport services throughout the region.
- We excel in curating experiences that offer a blend of nature and wildlife, adventure, environmental conservation, and cultural immersion. We combine authentic cultural tourism and rural community into safari packages for eco-friendly tourism.
