

Why Tandem Travel?

Tandem Travel is a leading inbound tour operator and DMC for Bulgaria and the Balkans, based in Sofia, Bulgaria. The company was established in 1996 and our staff has an over 20 year experience in the incoming tourism.

We are working with leading tour operators from Germany, Austria, Switzerland, Great Britain, Spain, South America etc. and are proud of the increasing numbers of satisfied clients.

Tandem Travel has good business relations with the best hotels in Bulgaria, leading coach companies and excellent guides. Our valued partners are also the Bulgarian national railway company, the Sofia Opera & Ballet. Tandem Travel provides high quality ground handling services with 24-hour local support and offer you highly personalized service. We're there for you with person-to-person advice, ideas, insights, and to make specialized arrangements for you and your clients.

Our aim:

The essence of the services we offer demands a very high level of quality and we are aware how important the sustainability of our services for both clients and business is. Our mission consists of offering a high level range of services taking into account the environmental, socio-cultural, economic aspects and reducing their negative impacts in the areas of our activity.

Our services

Accommodation: The most competitive rates for professionals.

Transfers: Private or regular, with the means of transport you need.

Excursions: We take you where you want, half-day or whole day tours.

Round tours: Personalized and exclusive circuits for individuals and groups.

Groups: Specialists in custom trips for groups at every budget level.

Special events: Unique and memorable incentives, breathtaking programmes, incredible entertainment

24h assistance: Assistance and customer services for your clients 24 hours a day.
