# How Flywire Works

## 1 - Request Payment

Bill your customers in your preferred currency.

## 2 - Flywire Payex

Your customer pays in their local currency with familiar payment methods.

## 3 - Deposit & Recon

Flywire will settle funds in your desired currency into your account.  
Disbursements could be daily (3 business days).

# Payment Requests

1. Payer will select a country they want to pay from

# Payer Journey

The screenshot displays a payment interface with a dark header bar. On the left, a circular logo placeholder is labeled 'Logo'. Below it, the text 'Company will receive' is followed by '¥ 100,000'. On the right, a section titled 'Select payment method' lists four options, each with a card icon, a description, and a GBP amount. The first option is 'Bank Transfer in British Pounds (GBP)' with a purple bank icon and amount '£ 539.00'. The second is 'Debit/Credit in GBP' with a blue card icon, amount '£ 544.00', and 'Supported cards: VISA' with a Visa logo. The third is 'American Express in GBP' with an AMEX logo, amount '£ 544.00', and 'Supported cards: AMEX' with an AMEX logo. The fourth is 'PayPal in GBP' with a PayPal logo, amount '£ 559.00', and 'Supported cards: PayPal' with a PayPal logo. At the bottom of the payment options, there is a link 'Show additional currency options'. The footer of the interface includes 'Powered by FAWVE' and 'Terms Privacy'.

Payment Method	Amount (GBP)
Bank Transfer in British Pounds (GBP)	£ 539.00
Debit/Credit in GBP	£ 544.00
American Express in GBP	£ 544.00
PayPal in GBP	£ 559.00

UK Guest can pay in GBP, via multiple payment options

2. Local payment options with transparent rates for your Guests, e.g UK
