

Kirirom Adventure Package

Peer Learning Hub and C4 Adventure

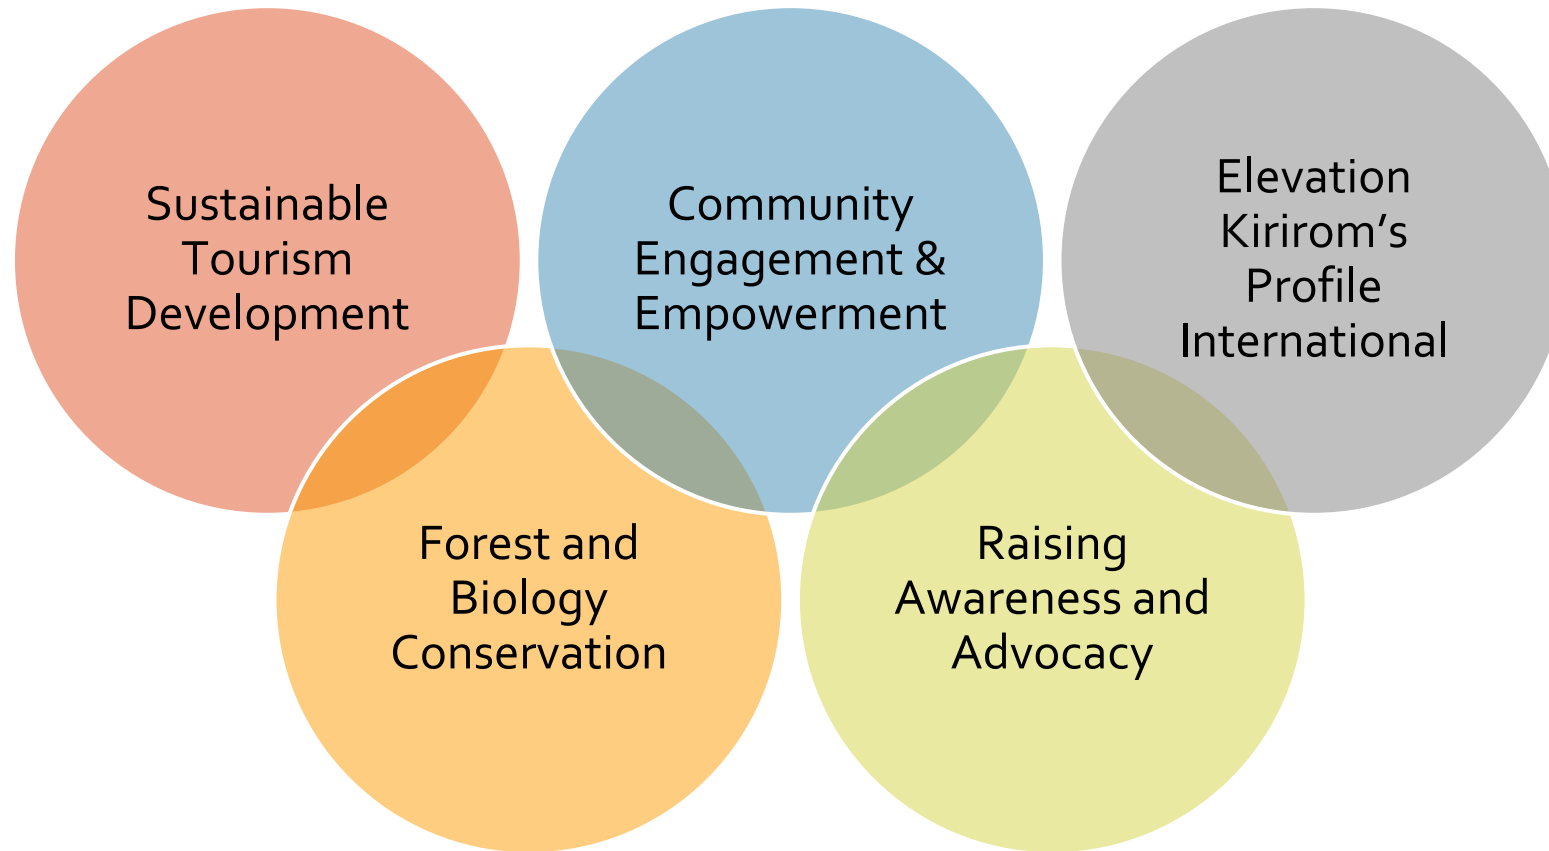

Background

- Kirirom National Park is the shelter of many species with beautiful scenery. Kirirom is the largest pine tree forest in Cambodia, covering 35,000 hectares.
- On the other hand, A2A Town Cambodia is a legal entity the royal government has provided authorization to develop an Eco-Tourism Destination in this park with 2 zones of approximately 10,000 hectares. In this 10,000 hectares of land, A2A has a lot of potential destinations such as Chhaya waterfalls, a tree top, an old bridge, a place for bird watching, and so on.
- C4 Adventures is an adventure travel agency founded in 2003 by former French legionnaire David Minetti, a military, survival, and wilderness expert. As part of the development of the agency, C4 Adventures welcomes Jean-Benoît Lasselin as a new business partner in 2018.
- The C4 Adventures agency is a team of trained professionals with a strong passion for outdoor life and nature, carefully following well-built standards and operational procedures. The strength of the agency is based on its operational flexibility and its capacity to adapt to all terrains.
