westK

西九文化區

The Hong Kong Palace Museum aspires to become one of the world's leading cultural institutions committed to the study and appreciation of Chinese art and culture, while advancing dialogue among world civilisations through international partnerships.

戲曲中心 Xiqu Centre

A world-class performance venue promoting Chinese traditional theatre, Cantonese opera and regional forms of xiqu by presenting programmes from Hong Kong, mainland China and around the world.

M+

M+ is Asia's first global museum of modern and contemporary visual culture. It is one of Hong Kong's most iconic landmarks, both monumental in its architectural form and radically open in its position in the urban landscape.

Freespace 自由空間

As Hong Kong's leading centre for contemporary performance, Freespace regularly presents multi-genre performances and events as well as boundary-pushing collaborations to promote new ways of viewing and experiencing performance.

Stretching over 40 hectares of reclaimed land, WestK is one of the largest cultural projects in the world. Its vision is to create a vibrant East-meets-West cultural hub in Hong Kong, hosting and producing world-class exhibitions, art performances and local and international events.
