

Platform Advantages

● Grasp major HK & Macau events yearly

Register as a member to freely access information on all types of major events in Hong Kong and Macau throughout the year, covering tourism, exhibitions, culture and other fields. It helps you timely gain insights into market trends and plan and layout in advance.

● Exclusive tourism - related event resources

In addition to major events, you can also browse the latest tourism activities and exhibition information in Macau, Hengqin and Hong Kong at any time, helping you keep up with market rhythms and expand your network.

● Direct access to Macao government's external promotions

Suppliers on the platform have the opportunity to participate in overseas promotion activities led by the Macao Government Tourism Office. We offer you free publicity with no extra costs. Leveraging the government's credibility and influence, this helps effectively enhance brand visibility while significantly reducing promotion expenses.

● Cross-border services, linking markets at home and abroad

As a bridge connecting domestic and overseas markets, we leverage professional cross-border services to help the international tourism industry connect with purchasers and buyers from the Greater Bay Area and Chinese mainland. Meanwhile, we assist mainland enterprises in expanding into overseas markets, making cooperation boundless..
