Our Winter 24h Self-drive Customer Service

We Icelanders drive around Iceland in winter, and your clients can, too!

But your clients should be aware of the road conditions and ever-changing weather during Iceland's winter wonderland season. They should be comfortable with driving in snowy, windy, and icy conditions.

Iceland Travel has implemented steps to ensure your client's safety, and we will keep them updated on any weather changes that might affect their itinerary. We will cover any cost for hotels that need to be changed or cancelled if roads must close due to bad weather. We'll watch over your clients, and they can always reach us via the **24-hour emergency line**.

Great add-on options

- Upgrade the package insurance protection with our **Max Cover** option.
- Your clients can personalise each self-drive with a **Bundle Discount**. They'll save time and money with these pre-booked activities based on fun themes.

Travel Green in Iceland

As part of our commitment to the environment, we offer the option of electric and hybrid vehicles in different sizes. Charging stations are located around Iceland.
