Kimono Tea Ceremony MAIKOYA

Kimono Tea Ceremony MAIKOYA offers authentic Japanese tea ceremony experiences at traditional style tearooms.

We also have various types of plans for our guests' "once in a lifetime" events.

The Difference We Deliver

Authentic, but open to everyone

Our policy is to make the traditional culture accessible to all our guests. While we respect the rituals of tea ceremony, we offer variety of options to minimize barriers to experience the authenticity. (e.g. casual clothes plan/free chair rental/advise to relax and sit in a comfortable position etc.)

Kimono experience

Our tea ceremony plans include free kimono rental and the dressing service*. The traditional attire makes the first step into the tearoom an immersive journey. Since kimono naturally support the correct posture for the tea ceremony, guests can directly sense the tradition throughout the rituals.
