Amanaki

Thao Dien Hotel

*“To see the world in a grain of sand
And a heaven in a wild flower”
- Auguries of Innocence (1803),
William Blake, English poet*

Guided by a sensibility toward history and place, Amanaki seeks to form a deeper connection with our guests through thoughtfully personalized services and attentive hospitality within a setting that feels both refined and warmly familiar.

Set amid the greenery of Thảo Điền, Amanaki Thảo Điền offers a stay defined by balance: close enough to move in step with the dynamic rhythm of Saigon, yet gentle enough to offer a quiet pause for those seeking their own moment of rest.

Here, the guest experience unfolds as a continuous flow, where architecture, art, and nature exist in quiet dialogue. From private, comfort-focused rooms, to the cuisine at NÚC Kitchen & Bar that honors local ingredients and a philosophy of sustainability, to wellness offerings that nurture both body and mind every detail is considered with care and a deep respect for local values.
