Dresden: A Stage for Ideas and Connections

Seasonal highlight: April – May

Spring breathes new life into the city. Blossoms line the riverbanks, café terraces fill with locals, and the mild 15-20°C temperatures create the perfect balance for indoor and outdoor moments. The historic paddle steamers and sleek motor vessels of Sächsische Dampfschiffahrt offer a stage where elegance and innovation meet.

Morning:

Welcome guests on board the modern motor vessel August der Starke. Host your conference or presentation in the dedicated Conference Deck with floor-to-ceiling river views, integrated mega-screens, and premium sound systems.

Afternoon:

Transition seamlessly to land with a private transfer to the Zwinger Palace. Enjoy an exclusive curator-led tour through the Old Masters Gallery, followed by a behind-the-scenes peek into the Semper Opera.

Return to the ship for a sunset cruise along the Elbe. Dine al fresco on the upper deck, with gourmet dishes inspired by Saxon cuisine and paired with local wines, while the city's illuminated landmarks glide by.

Why spring works:

Nature's rebirth mirrors the fresh energy of your gathering. Longer daylight hours allow for extended programs, and the mild weather invites guests to savor every moment outside as much as in.

Event Concept: Brand Experience & Overnight

Antwerp in late autumn hums with cultural vibrancy. The city glows in golden afternoon light, and the cooler 8-12°C air brings an intimate feel to its cobblestone streets and indoor venues. Board the Oceandiva Nova, moored in the heart of the city. Transform its modular spaces into a striking brand world – from an immersive product reveal to a chic networking lounge overlooking the Scheldt River.

Host a gala dinner on board, then invite guests to their private cabins on nearby river cruise ships, serving as luxurious floating hotels with the comfort of full hotel services.

Day 2 – Morning:

Step ashore for a guided art walk through Antwerp's Cathedral Quarter and Museum aan de Stroom, with a private champagne reception in a hidden designer showroom.

Day 2 – Afternoon:
