

Luxury Camping

Wilderness, redefined.

Sleep under Himalayan skies without giving up comfort. Our luxury camps are set in pristine, off-grid locations—fully serviced with warm beds, gourmet meals, and candlelit ambience.

Spend your days exploring remote valleys and hidden temples. Come back to hot water bottles, local delicacies, and fireside storytelling. This is adventure softened by thoughtful design.

Because the wild doesn't have to feel rough.

Helicopter & Mountain Flights

See Bhutan from a sacred height.

Board a private helicopter and soar over Bhutan's iconic landscapes—cliff-hanging temples, winding rivers, untouched forest canopies. Stop for a mountaintop picnic, land in remote valleys, or simply take in the grandeur of the Himalayas from above.

With experienced pilots and tailored routes, these flights offer more than transport. They offer transcendence.
